## Community Group – Acts 1:1-5 Discussion Guide

### Study Together

Who wrote Acts? Write down everything you know about the author.

Who received Acts? Write down everything you know about the recipient.

Read Luke 1:1-4 – What does this tell us about the purpose of Acts?

What are the things that Jesus “began to do and teach” to which Luke refers in Acts 1:1-5?

What does Jesus promise will happen in Acts 1:5?

### Apply Together

Corporate Application:

What would be the effects on the church if we read Acts as if it were primarily about us and what we can accomplish as a church?

If Acts is primarily about what Jesus does through the power of His Spirit how might this effect the focus of our church teachings and doing?

Individual Application:

What do you fear about Jesus inviting you to be an “actor” in the story he is writing in this world?

How might the purpose Acts (as stated in Luke 1:1-4) and the promises in Acts 1:1-5 help relieve your fears?

### Pray Together

Pray that through our study of Acts God would give us a greater sense of vision and mission for our lives and for the church

Pray that through our study of Acts God would assure us of our faith so that we are encouraged towards mission

Pray that through our study of Acts we would come to know and trust in God’s power for mission
